Carissimi Luigi ed Amici Tutti,

Condivido con voi la gioia e la gratitudine di Margaret che ha superato brillantemente i suoi esami.

Rinnovo la mia gratitudine e chiedo al Signore di benedirvi tutti, assieme a quei bambini di strada del Kenya

che Margaret, ora meglio preparata grazie al vostro sostegno, avrà modo di accompagnare per un recupero integrale.

Con un forte abbraccio vi saluto

P. Mario

Subject: THANKS BE TO GOD

Dear Mario and friends

Greetings to you all.

I take this opportunity to thank God for His love and blessings which He has given us and continue to bless and guide us through out our lives. I hope you are all fine.

My major aim is to inform you that my exams results are out and i passed well, pass with Credit that is the second position. I am very happy and grateful to you all for your financial support and encouragement during my studies.

I am also thankful to God for His guidance, love, protection and strength which He gave it to me, July 2011 was a very tough month for me because this was the month i sat for my exams and it was also the month my mother passed away. so i was so stressed up, but through your prayers, support and God grace, i passed my exams.

May God bless and reward you more and keep you all well. I will never never FORGET YOU. BIG HUG TO YOU ALL.

With love and prayers yours faithfully, Margaret Kimalel. ciao..e grazie.,
